Learn what smartphone apps are, how they work, and how to find, download, remove, and manage them on your phone. This class is designed for smartphone users who are comfortable with the basics but want to learn more about apps and how to use them. For both iPhone and Android smartphones. Have a smartphone? Bring it with you for hands-on practice. Don't forget to bring your login credentials for your phone and Apple or Google account! Basic tech experience recommended. (Before attending this class, attendance at Bug Tussel University's "Smartphones Basics" class is recommended.)
