YP of the Month: Ashley Deiler

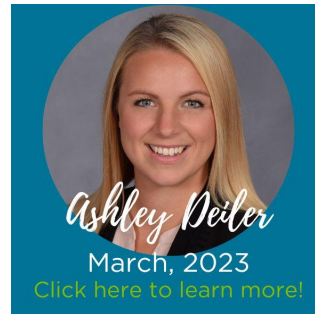

Congratulations to Ashley Deiler on being recognized as our March YP of the Month!

Ashley is a retail lender with National Exchange Bank & Trust. She enjoys helping families get into their homes. She encourages everyone to find their strength to push themselves past their comfort zones to realize their full capabilities.

Her spare time is spent with her family...they love tent camping and other things where they can all be together (her husband and their 3 children).

Learn more about Ashley [here](#).

Do you know someone who deserves recognition for all they do for their community? Each month, a member of the Young Professionals of Fond du Lac is highlighted for their contributions. Take a moment to [nominate](#) someone you feel deserves this special acknowledgement.

Our volunteers are the absolute best!

Without committees, YPF events would not be possible. Have you attended an event recently and felt you had some good ideas to help improve them? Join a committee! We also have our standing committees for Programming and Events, Member Engagement and Marketing. If any of these interest you or you have questions, reach out to [Anna](#) and she can help connect you with the right person
