...and now, a message from our chair...

The summer months prove to be a busy time for young professionals. YPF kicked off the summer at Walleye Weekend and hosted Amazing Race Fond du Lac, a sold-out event! We're taking a small step back on hosting events during July to encourage you to take advantage of other community opportunities, like Downtown Fond du Lac Night Market, Thirteen Thursday concerts at Thelma, the Fond du Lac County Fair, and **more!** Don't worry – YPF events are back in full swing in August and our event planning committees continue to meet, working on fall events like Casino Night and fresh ideas for 2025!

Congratulations to Steve Diehl on being recognized as the July Young Professional of the Month!

Steve is a Business Banker with Bank First. He gets satisfaction from meeting and connecting with people, which allows him to see the great things going on in our community. He also enjoys learning goals of customers, formulating a customized financial solution to achieve those goals, then taking pride in contributing to their achievements and supporting their ongoing success.

When asked to share a lesson he's learned or a nugget of advice with other YP's, he said "The best leaders are the ones that continue to learn and ask questions."

The August **Monday Mixer** should be a blast! We'll be on the water at TJ's Harbor Restaurant in the outdoor pavilion.

You know the drill on these. Relaxed atmosphere, connecting, and just having a good time!

Pre-registration is greatly appreciated!

Courageous Conversations: Navigating Tough Talks in the Workplace is the next Professional Development opportunity with YPF. Do not delay in **registering** for this event scheduled for August 21, 2024, from 8:00 - 9:00 a.m. at the Fond du Lac Family YMCA.

Thank you for making Amazing Race 2024 one for the books! This sold-out event was so much fun. Special thanks to our planning committee and event sponsor, Mercury!
