Congratulations to Jennifer Braatz on being recognized as the October Young Professional of the Month!

Jennifer works at Guaranty Closing & Title Services as a Regional Manager. She loves getting to meet a variety of people, and she never has a dull day! What does she like about YPF? So much! She has gotten to meet people that she probably wouldn't have otherwise, but also YPF has introduced her to companies that exist within our community that she may not have been aware of previously. She has helped with the Breakfast of Champions event since 2021, and it is so promising to see the established business and community leaders in Fond du Lac engage with the next generation of the workforce that is coming up.

Nominations are now open for YPF's annual Future 5 Awards!

YPF established the Future 5 Award in 2013 as a way to support and recognize upcoming leaders in the community. This award is presented to five area young professionals ages 21-40 who are presently growing and excelling in their respective fields and will continue to positively influence the growth, prosperity, and quality of life in Fond du Lac County well into the future.

New this year, YPF is separating the Future 5 and Young Professional of the Year Awards! But don't worry! It's not a "good-bye!"

The YP of the Year Award will be given to the individual who most promoted and assisted the YPF program and will be awarded at Envision Greater Fond du Lac's Annual Meeting. Re-defining the YP of the Year Award gives us a chance to exclusively recognize an outstanding member of YPF!

Future 5 Award eligibility will remain open to anyone in the community, so consider who you want to [nominate](#) and submit it by October 31!
